

Attention Members: Pro Shops Closed & Play Suspended at IRC

(effective March 25th - April 6th)

This afternoon Indiana Governor Holcomb announced new directives to further shut down businesses in an attempt to slow down the spread of COVID-19. At the direction of this order, the **Pro Shop at Dean Road** will now be **temporarily closing at the end of business (6pm) Tuesday, March 24th**. At this time the order will be in effect through Monday, April 6th and is subject to change.

All play at IRC Dean and IRC East remain suspended.

It is our hope that this suspension of the season will be short. When programs resume, it is our plan to extend Session 4 play to allow for the make-up of all missed programs and permanent courts.

Our Member Services Team will be working remotely and will be available via email at irc@indyracquet.com.

We will get through this together and we appreciate all of our members' understanding during these difficult times. Be safe everyone.
