

WELCOME FALL

CELEBRATING 60 YEARS

This October, IRC will celebrate its 60th year. We are honored that so many have called IRC their tennis home.

We will be hosting anniversary celebration events starting in October to spread out the celebration for the full year. Be on the lookout for updates coming soon from our social media channels.

RESURFACING @IRC EAST

It's happening! We will be resurfacing the courts at IRC East starting mid-August 2025. We estimate this project to take 3-4 weeks to complete.

We will extend the expiration date of our pickleball only memberships and pickleball summer pass holders equal to the number of days of the closure. Our East Club tennis drop-ins will resume when the facility reopens and our junior High Performance A/B program will meet at IRC Dean during the closure.

Follow our social media channels for resurfacing updates and an official start date.

MEMBERSHIP RENEWAL

Effective August 11, 2025, new and renewing IRC memberships will reflect new pricing.

These modifications are our first increases in more than five years.

UPDATE: SESSION MAKE-UP & WITHDRAWAL POLICIES

To create a better playing experience for all players, we have updated our session make-up & player withdrawal policies effective August 11, 2025:

Session Make-up

- Players who complete a **Record an Absence** form via our website or our app a minimum of 4 hours in advance of a missed class, may be eligible for **one make-up per session**.
- Make-ups are not guaranteed and must be completed within the session of the absence.
- No refunds will be given for missed classes.
- Make-ups must be scheduled with Member Services.

Session Withdrawal

- Players who withdraw with Member Services prior to the start of the session will be provided a full refund via the original form of payment.
- After the start of the session (1st Monday of the session), players will receive a 50% refund as an account credit until less than half of the classes remain.
- If less than half of the session remains, refunds are unavailable.

JUNIOR DEVELOPMENT FORMAT

Starting this fall, we have made an update to our Junior Development programming. This mimics our successful Summer Camps and High Performance Programs and helps to better reflect the fluidity of junior level play.

Now, within a larger group, our experienced teaching staff will group players by level and spread them out among their courts. This new method will allow our team to move players to compete with the appropriate level players without the need to switch classes/day/time. Players will remain with appropriate opponents for all point play.
